Dear Bloomington Alumni and Friends,

You are cordially invited to the 2019 Alumni and Friends Reunion and Banquet, to be held on April 27, 2019 at the Bloomington High School Cafeteria, Bloomington, Michigan. Please mark your calendars! Our Alumni Guest Speaker will be **LEE DEAN**, graduation class of 1973. We will be honoring the Class of 1973, so come one, come all.

Besides connecting with life-long friends, a primary purpose of the foundation is to raise money for scholarships for our graduates. Since 1991, your donations have helped over 86 graduates further their education by awarding over \$52,000 in scholarships. We will be honoring our **2019 Bloomington Area Schools Foundation Scholars** at the banquet. To assist in providing scholarships to our graduates, we will once again be holding our annual **Silent Auction** to help in this endeavor. Our committee is working hard collecting outstanding donations and services that will be sure to please even the toughest bidder!

**We need your help to continue providing scholarships to our Bloomington students. Come to the reunion! See some old friends and make some new ones.**
