

## ATTENTION ALL VETERANS!

My name is Angel Murray. I am a senior at Bloomingdale High School. Like every senior, I have an obligation to create and complete a senior project before April 5, 2019. I have chosen to honor America's heroes, the veterans who chose to serve our country and protect our freedoms. To do that, I am asking for you to share some information about your service. I need your name, rank, dates of service, and area of operations. I will place that information on an honor wall that I am creating. The wall will be placed in the main hall at Bloomingdale High from March until May. You may send your information to me via email at: [amurray19@students.bdalecards.org](mailto:amurray19@students.bdalecards.org)

You can also choose to drop off information at the front desk of Bloomingdale Middle and High School. You can also bring information about any of your relatives that served our country. This opportunity is open to all families in the Bloomingdale and Lee Township areas. Photos are not necessary.

I look forward to hearing from all of you soon.

Angel A. Murray
